

Harmony

Property Group

27 Wentford St Mackay

Much loved and held by one family for generations this home is now vacant and priced to sell quickly.

Situated in this position, and on a large 809 m2 fenced allotment, an astute investor may see potential for future development (subject to council approval)

Featuring an enclosed sleepout, 2 bathrooms and 2 toilets this is a great first home or rental investment due to it's position being on the CBD fringe, just a stone's throw to Mackay city centre.

The kitchen and dining area is open plan, and it has been freshly painted inside.

There are ceiling fans and air conditioning for comfort in the coming warm weather.

Inspect by appointment.
